There are vacancies on the management board for representation for:

- Adult residential and nursing care homes
- Mental health services
- Residential learning disability services

There is also a vacancy for the Chair of the Board which we are actively recruiting from the independent sector due to the retirement of the outgoing Chair - interim arrangements are for the principal training officer to act as Chair.

Information about the circular, the SCWDP training calendar and a copy of the training plan is available on our website at [www.newport.gov.uk/scwdp](http://www.newport.gov.uk/scwdp)

### **Meetings**

The SCWDP management board will continue to meet regularly and the terms of reference and membership will be reviewed annually. Work will be undertaken to ensure there is a true representation of the local social care sector at the management board and include those partners recommended by the most recent circular.

Newport's SCWDP will also continue to hold yearly open meetings for the wider partnership.

Nominations for training events will continue to be administered by staff at the Brynglas training centre and use of the SDMS online nominations website will be encouraged and facilitated, with training in its use provided.

Notification of course places will be notified or if an application has been unsuccessful.
